ACTIVITIES & FIELD TRIPS PERMISSION SLIP & WAIVER

Students at Beach House Arts participate in various extracurricular activities, class visits, contests, excursions, field trips, sporting events, camps, interscholastic athletic and academic competitions, practices, rehearsals and other events which occur on and off the school's campus (together called "the Activities" which are all extracurricular activities and do not form part of the classes and activities of the normal school day). Parental consent is required for a student's participation in the Activities. Where the student is age 18 or above and their own legal guardian, the student will be required to sign the consent form.

I hereby give consent for my child/ward to participate in the Activities except for those activities which I advise Beach House Arts of in writing. I understand that participation may at times necessitate an early dismissal from classes.

Assumption of Risks: Participation in the activities carries with it certain risks that cannot be eliminated regardless of the care taken to avoid injuries.

Waiver: In consideration of my child/ward being permitted to participate in the activities with full understanding of the risks involved, I, for myself, my heirs, personal representatives, or assigns do hereby release, waive, and discharge Beach House Arts, its officers, directors, employees, and agents of any and all responsibility and liability for any injury or claim resulting from participation in the activities and agree to take no legal action against Beach House Arts because of any accident or injury resulting from my child's/ward's involvement in the activities. This waiver and release expressly excludes any negligent act on the part of Beach House Arts, its officers, directors, employees and agents which causes accident or injury to my child/ward as a result of my child's/ward's

TECHNOLOGY CONTRACT

- * All technology devices owned by Beach House Arts should remain in teacher-set configuration (no changing of passwords, installing software, etc).
- * I will report all problems or concerns to a teacher right away.
- * Students may use personal devices with teacher permission. Any device used on school premises must follow all B.H.A. Acceptable Use Guidelines for Technology Use in the Classroom. To use a personal device, the student must have a signed copy of this contract on file with the school.
- * Communication with parents is always acceptable.
- * Students must get permission from other students to take or share their photographs.
- * Students may use personal headphones or use school headphones, when instructor of current class approves use.
- * A student using the Internet may visit only teacher-approved sites during school hours.
- * No web sites, software, apps or media should be printed, shared, E-mailed or downloaded without teacher approval.
- * I understand that if I violate any of the rules stated above or perform any other disruptive technology-related actions I will be subject to loss of technology privileges
- * I may be financially responsible for the repair or replacement of broken hardware or materials.
- * I have been given and agree to the Beach House Arts Acceptable Use Guidelines for technology use in the classroom.

Acceptable Use Guidelines for Technology Use In the Classroom

- *Users may not share an account, login name or password with anyone.
- * Technology is to be used only for education and research as it relates to the school curriculum, or for exploratory use within the below guidelines under instructor care.
- * It is strictly prohibited to use the network or any computer/digital facilities for cyber-bullying, bullying, harassment, intimidation, hate mail, defamatory statements, statements intended to injure or humiliate others by disclosure of personal information (whether true or false), personal attacks on others, and statements expressing animus towards any person or group or harassing any person or group by reason of race, color, religion, national origin, ethnic group, weight, religion and religious practices, sex, gender, sexual orientation, mental and physical abilities, disability, or any other category protected by federal and state law.
- * Students should not use instruction time to text friends, or participate in social media without teacher approval. (Contact with parents/guardians is always allowed.)
- * Students are prohibited from using B.H.A. technology for inappropriate purposes including but not limited to the following: gambling, shopping, downloading unapproved files, viewing or processing inappropriate text files or pictures, or downloading files which may be dangerous to the integrity of the network.
- * Students should not post names or pictures of fellow students or staff to social media networks without permission from the people being discussed/photographed.
- * If a student encounters information or content that makes them uncomfortable, he/she should immediately report this to the instructors.
- * Staff will teach and reinforce appropriate behavior and safe use of digital equipment and technology, including cyber citizenship.
- * Students are responsible for full repair or replacement costs of their own personal devices. Beach House Arts takes no responsibility for personal technological devices that students choose to bring out and use while at Beach House Arts.
- * The staff at Beach House Arts makes every effort to ensure the safety of students while using technology. Beach House Arts will not be held responsible for any harm or damages that occur from misuse of school technologies.
- * Any Internet use during school hours may be monitored by B.H.A. staff.
